

THE SPIRIT OF 4-H AWARD
NOMINATION FORM

This award is being given in memory of Steve Dixon who passed away in May 2016.

Steve spent nine years on the fair board, six years as President of Valley Riders, and 12 years as a 4-H dad. During those years, he helped make many improvements to the fairgrounds which benefitted our horse and pony club. He always thought horses deserved to be a part of the fair and worked hard to make that happen over the years. He was always striving to make the best better and we would like to recognize a club member who shares that spirit. This award will be given to a Horse and Pony member but not limited to horse and pony activities. It could also include ambassadors, junior leaders, helping during fair set up and judging week and anything during fair week. We will be looking for a 4-Her who is always willing to help with anything that needs doing and is dedicated to “Making the Best Better”.

Please use this form to nominate a deserving 4-Her. Please describe why you are nominating this person and detail what they have done through the year. Please attach extra sheets if necessary.
