Stalls at Fair

Only members turning in the stall form by July 1 will be considered for stalls at fair. There are more horses enrolled than stalls available. The fairboard superintendent will make every effort to make it work for your family. You may not get as many as you want or the location you want. Please be kind and patient--this is one of the hardest jobs to do for fair. If you get a stall, that horse must be here by noon on Sunday and cannot leave until Thursday night. That is a county wide rule!!

Mini 4-H Horse and Pony Mini 4-H Horse and Pony Mini 4-Hers Must be enrolled in mini to show at the county fair. They must show an animal that is already at the fairgrounds--no bringing your own animal. A family member 18 or older must be the handler for the horse. You must still complete the poster project and turn in at mini judging on July 14 to show a horse. There is a waiver/form that must be turned in with the poster in order to show. See the extension office with questions.

Vaccination Reports

Must COMPLETE, including proof of purchase or vet signature, and carry to ALL 4-H events. MUST be on file with leaders before the horse gets off trailer at first clinic, show, and/or fair, whichever comes first. ****Must be a copy of Purdue form--NOT just a receipt from vet. In 2022, West Nile is a required shot, not just recommended.
